

K12 District Technology Goals

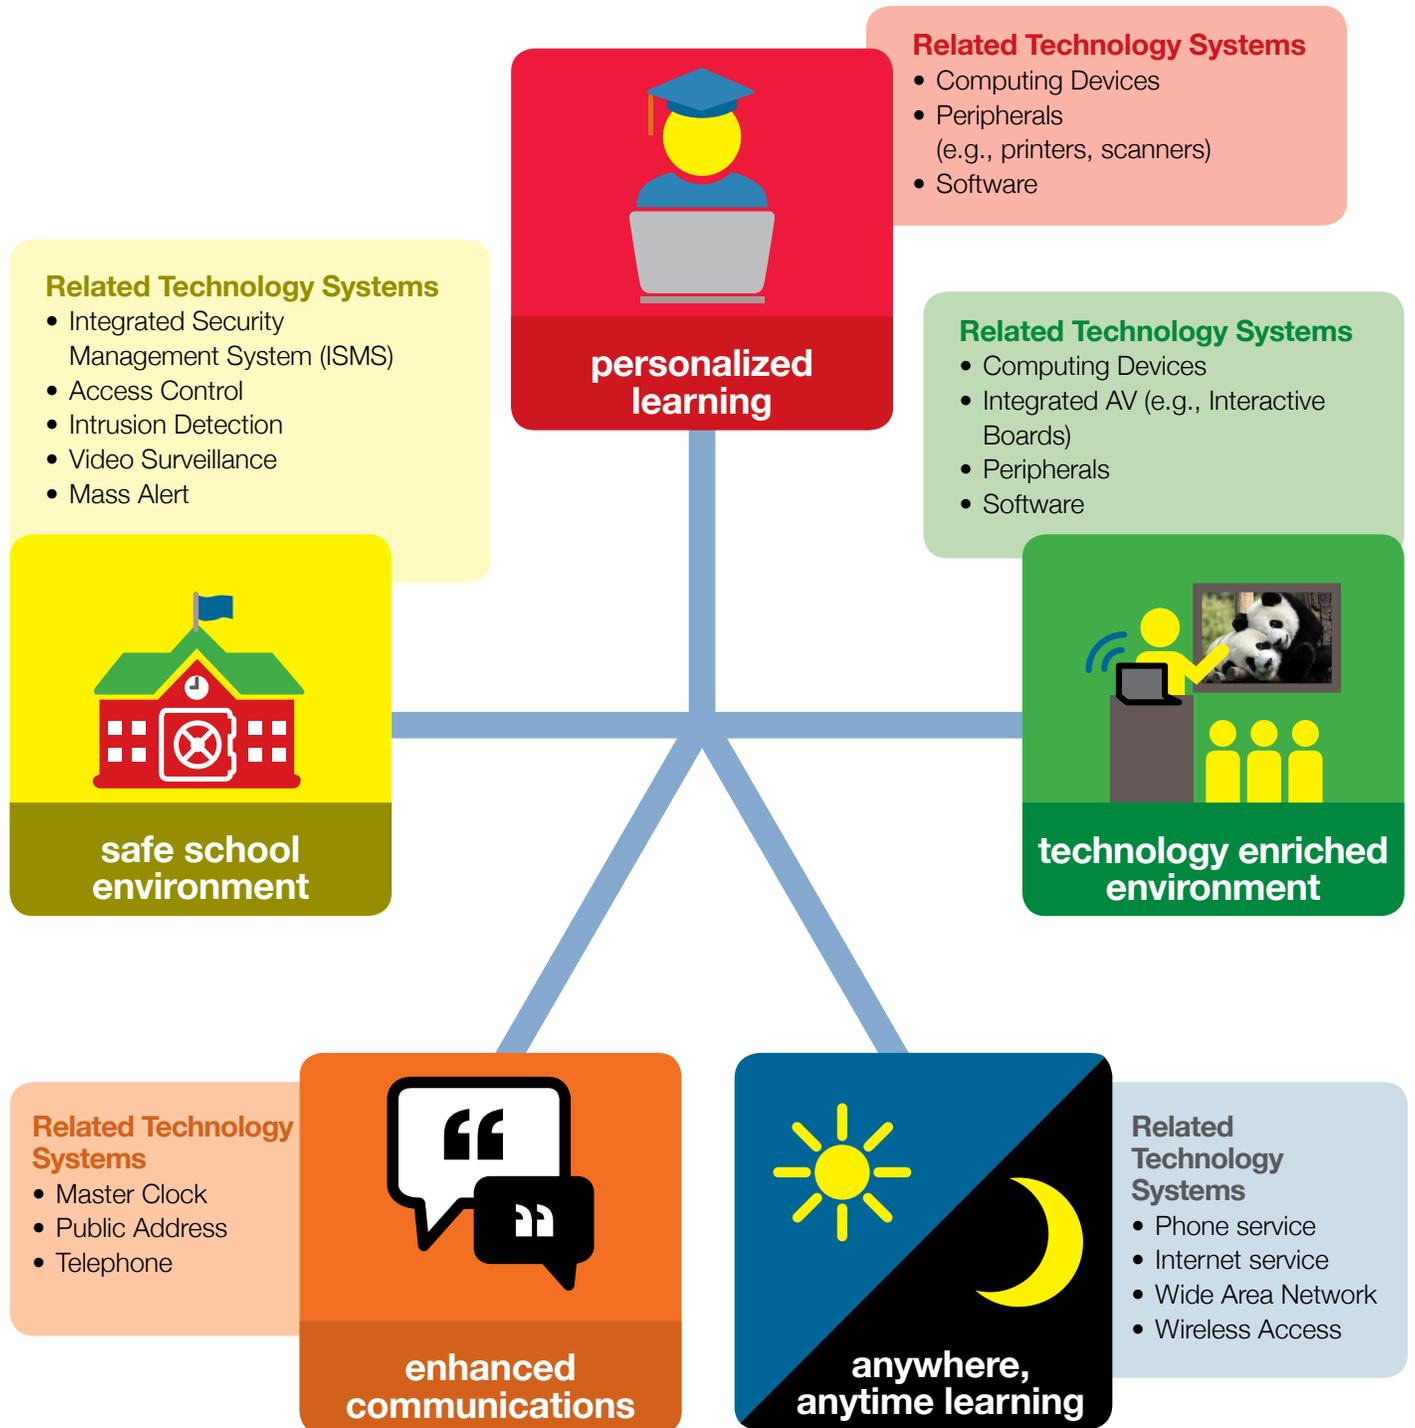

Most school districts have similar **Technology Goals** but with **differing priorities** based on current technology conditions, available funding, and local initiatives.

For more information about our independent technology consulting services for NYS school districts, please visit <https://www.archi-technology.com/nys-school-districts.html>

K12 District Technology Goals

To meet each district Technology Goal, **a select set of technology systems** need to be planned, designed, purchased, deployed and maintained.

K12 District Technology Goals

Regardless of priorities, accomplishing a district's Technology Goals depends, first and foremost, on a **reliable, sustainable Technology Infrastructure**.
