

# Archi-Technology TIMS Bundled Services

We are pleased to provide these bundled Technology Infrastructure Management Services (TIMS) to school districts served by the Monroe 1 Regional Information Center.

These services are of particular interest to smaller districts that lack the dedicated internal resources to adequately manage their technology infrastructure and interconnected IP-based systems including classroom systems, devices and software.

## Available TIMS Bundled Service Packages

 <p><b>CREATE</b></p>	<p>Get all of your district's technology initiatives on the same 10-year plan based on an objective assessment of current technology conditions. Optimize available funding, budget for refresh and upgrade cycles, and meet short- and long-range goals.</p>						
	<table border="0"> <tr> <td>1. Technology Conditions Survey (TCS)</td> <td>4. Technology Systems Design Standards</td> </tr> <tr> <td>2. Comprehensive Technology Plan (CTP)</td> <td>5. Communications Equipment Room (CER) Master Plans</td> </tr> <tr> <td>3. Smart School Investment Plans (SSIP)</td> <td></td> </tr> </table>	1. Technology Conditions Survey (TCS)	4. Technology Systems Design Standards	2. Comprehensive Technology Plan (CTP)	5. Communications Equipment Room (CER) Master Plans	3. Smart School Investment Plans (SSIP)	
1. Technology Conditions Survey (TCS)	4. Technology Systems Design Standards						
2. Comprehensive Technology Plan (CTP)	5. Communications Equipment Room (CER) Master Plans						
3. Smart School Investment Plans (SSIP)							
 <p><b>MAINTAIN</b></p>	<p>Keep your technology infrastructure and connected IP-based systems operating at peak performance with these software subscriptions and annual maintenance services. Improve facility operations with reduced service call quantities and durations.</p>						
	<table border="0"> <tr> <td>1. AT Plans™ Comprehensive Technology Planning Software</td> <td>3. EFR Technology System Management</td> </tr> <tr> <td>2. AT Binders™ Electronic Facility Records (EFR) Software</td> <td>4. Comprehensive Technology Plan (CTP) Oversight and Maintenance</td> </tr> <tr> <td></td> <td>5. Other TIMS services, as needed.</td> </tr> </table>	1. AT Plans™ Comprehensive Technology Planning Software	3. EFR Technology System Management	2. AT Binders™ Electronic Facility Records (EFR) Software	4. Comprehensive Technology Plan (CTP) Oversight and Maintenance		5. Other TIMS services, as needed.
